TOTAL AMOUNT (economic approach) *)		66.865.143.435,68

*) Guarantees issued by the Republic of Austria under the Export Guarantees Act and the Export Financing Guarantees Act cover the assets side and the liabilities side of Oesterreichische Kontrollbank AG's (Austria's export credit agency) balance sheet. The probability of payments for guarantees referring to both sides of the balance sheet is very low. Therefore, following an economic approach, the amounts utilised under both sides of the balance sheet are counted only once.
